The Literacy Alliance Announces the Return of *Funniest in the Fort!* and Laughs for Literacy

September 9, 2021 – Fort Wayne, Indiana - In 2020, with everyday life becoming more and more serious, **The Literacy Alliance** found a new way to bring some laughter to our community and raise money to support the educational journey of our **adult learners**. With that goal in mind, **Laughs for Literacy: Funniest in the Fort!** was born.

Our jovial jousters this year include some familiar faces and some new faces all vying for the title of Funniest in the Fort 2021! Voting will open on Monday, September 13, 2021, and run until September 23, 2021. Vote early and vote often for your favorite joke teller at www.literacyalliance.org/funniest. Every \$1 donated equals 1 vote for our joke tellers.

All votes of \$65 and above will receive a free ticket to the in-person Laughs for Literacy event featuring The Second City at the Embassy Theatre.

The winner of ***Funniest in the Fort!*** will be announced at **Laughs for Literacy 2021** at the beautiful Embassy Theater, Friday, September 24, 2021, where we will be *Bringing the Funny to Raise Some Money* with Chicago’s favorite improvisational comedy group, **The Second City!**

What’s that? You don’t have your ticket yet? Visit www.literacyalliance.org/l4l to get your tickets today! Show only tickets are \$65 and tickets for the show with a preshow VIP reception are \$95.
