

Ambition

“Ambition is taking initiative and adding value. Do more than the minimum.” *(Bring Your “A- Game” definition of acceptance)*

Employees who bring Ambition to work will:

- Show a willingness to accomplish more.
- Have a desire to always be learning.
- Identify what obstacles are in the way and overcome them to succeed.
- Set and take action to achieve work goals.

Which of these skills of Ambition do you think is necessary to you no matter what job you have?
